

From Challenges to Blessings

Our Journey Through **2024!**

A Year of Rebuilding,
Growth, and Big Wins!

2024 was all about fresh starts and big steps forward at Casa Victoria!

After a challenging 2023, when we could only care for 30 kids with a small team and limited resources, 2024 came through as a blessed and fruitful year for everyone. This year, God sent us an amazing group of workers and volunteers, allowing us to serve 50 children again—and we couldn't be more grateful!

Meet the Dream Team!

- **Evelyn Anillo:** Leads the Biblical Values Station.
- **Wendy Badillo:** Takes charge of the Homework Station with support from Doris Zambrano.
- **Yarmina Benítez:** Prepares daily nutritious meals for 50 kids.
- **Victor Gaspar:** A dedicated volunteer for sports, bringing energy and teamwork.
- **Jenny Tituaña:** Our new accountant, making sure the numbers add up.

Cool New Additions to the Team!

Erika Guaña. Casa Victoria Alumni and now a Finance graduate, Erika volunteered with us in 2023. Her leadership shone so brightly that we officially made her the Program Coordinator. She oversees kids, parents, and volunteers, including partnerships with universities, schools, and alumni.

Doménica Rubio. Our webmaster who is transforming our website, social media presence and institutional branding. She also helped us transition from Flipcause to Zeffy for donations, a smarter, more cost-effective platform.

Food That Fuels Big Dreams

Nutrition got an upgrade this year!

We continued receiving:

- Dairy products from Vita Alimentos
- Fruits and vegetables from Ecopacific

And for the first time ever, the kids now enjoy daily protein
A HUGE STEP FOWARD IN THEIR NUTRITION.

This was made possible through SEGINUS, which funded the purchase of meats at reduced prices through the Banco de Alimentos.

Inspiring Projects

We're part of **STOPLIGHT POVERTY PROJECT** by Fundación Paraguaya, helping families identify their strengths and needs through self-diagnosis. We guide them to gain tools and knowledge to improve their lives.

- This project supports 50 families based on San Roque in breaking free from poverty.
- It paved the way to expand to 200 families in Quito's Historic Center in 2025.

Additionally, these families joined the Magnolia Housing Project, giving them access to affordable housing opportunities.

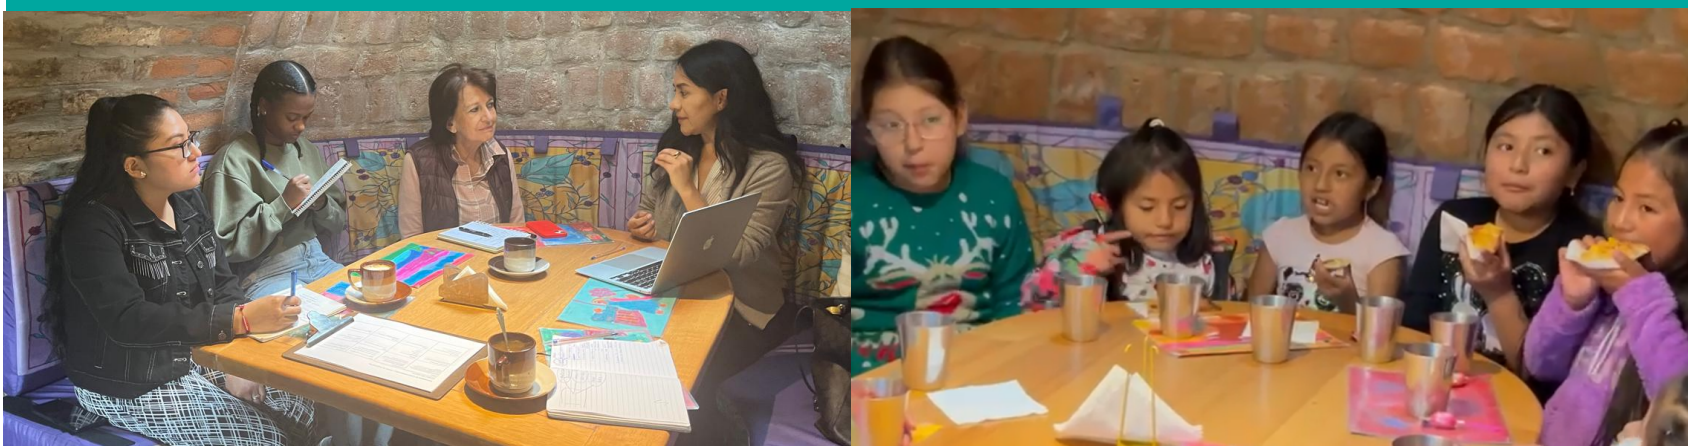

Big Ideas for Wuawuas Pizzeria

Empowering small businesses is key! Thanks to Fundación De Vuelta Al Centro, we gained tools to grow and sustain **Wuawuas Pizzería**, paving the way for lasting success.

We attended free workshops on: **Entrepreneurship, Artificial intelligence and Fundraising strategies**

Gifts That Keep on Giving!

The spirit of generosity has never been stronger! This year, we were fortunate to receive and give back in meaningful ways, making a lasting impact on our community. From thoughtful donations to providing essential services, every gesture of kindness has created ripples of change.

Faith in Action: A Fun Way to Learn

Our dear friend, Ricardo Luna donated 50 “Action Bibles” in comic book format, making learning about faith fun and engaging which is perfect for our kids!.

Health in Action: Caring for Our Community

We hosted a Dental Care Day in which our friend, Dr. Angel Yuquichamba, provided almost free dental hygiene, extractions, and fillings to 60 neighbors, offering much-needed support to the community.
